

FaceoffEdge — Terms of Use

For the App Store listing and in-app link.

These terms cover the Faceoff Edge sensor and the Faceoff Edge app, both provided by T & R Technologies, LLC.

Using the app

We grant you a personal, non-exclusive, non-transferable license to use the FaceoffEdge app with a FaceoffEdge sensor. You may not copy, modify, reverse engineer, or redistribute the app.

What this product is

FaceoffEdge is a training accessory. It measures motion at the sensor and reports timing metrics from your practice reps.

It is not protective equipment. It does not detect, prevent, or reduce the risk of injury of any kind. It is not a medical device and does not provide medical, diagnostic, or health information.

For practice and training use only.

Accuracy

Timing metrics depend on how the sensor is mounted, how consistently you mount it, and conditions during a session. Numbers are intended for tracking your own progress over time, not as officiated measurements or as a basis for selection, ranking, or comparison against other players.

Using it safely

You are responsible for inspecting the clip before each use and for mounting the sensor securely. Do not use the sensor if it is cracked, loose, or damaged. Follow the safety information in the Quick Start Guide and at faceoffedge.com/setup.

Assumption of risk

Lacrosse carries inherent risk of injury. Using FaceoffEdge does not reduce that risk. You assume all risk arising from your participation in lacrosse and from your use of this product.

Disclaimer of warranties

Except where prohibited by law, the app is provided "as is" and "as available," without warranties of any kind, express or implied, including merchantability, fitness for a particular purpose, and non-infringement. We do not warrant that the app will be uninterrupted or error-free.

Any written warranty on the sensor hardware is separate from these terms and is published at faceoffedge.com/info.

Limitation of liability

To the maximum extent permitted by law, T & R Technologies, LLC is not liable for indirect, incidental, special, consequential, or punitive damages, or for lost data, arising from your use of the product or app. Our total liability for any claim will not exceed the amount you paid for the sensor.

Some jurisdictions do not allow these limitations, so parts of this section may not apply to you.

Intellectual property

FaceoffEdge™ and all related marks are trademarks of T & R Technologies, LLC. The app, its content, and its design are owned by T & R Technologies, LLC and protected by copyright.

Changes

We may update these terms. Material changes will be posted here with a new effective date. Continued use after a change means you accept the updated terms.

Governing law

These terms are governed by the laws of the Commonwealth of Massachusetts, without regard to conflict of law rules.
